IMPORTANT : WE DRAW ATTENTION TO PARA 9.1 OF THE COUNCIL PROCESS

9.1 Nominations to be made before the Council

Nominations shall be made before the Council. Only in exceptional cases will new nominations be accepted during the Council itself. Nominations can only be made by any member branch for a member of any member branch.

Nominations are to be sent to the Convener of the Nominations Committee not later than two months before the Council.

We are enclosing material which will help in understanding IFOR's expectations and needs from those who would serve on the International Committee. Please also read the Council Process Document for the 2010 Council and the IFOR Constitution which are both available on the IFOR website in French and English.

The Council has the responsibility of selecting the International Committee and the Branches need to ensure that people with both experience and commitment are made available.

With warm regards,

Suseela Mathew and David Mumford
