

Do Not Fear, But Trust!

Gyula I. Simonyi - Hungary

We were seven conscientious objectors convicted in court, from the community I established in our city, Székesfehérvár.

Zoltán Zsoldos, 1982, after 2-month detention discharged from the army as 'mentally unstable' after refusing oath-taking (he died years ago)

Béla Simonyi, 1982, 14 month in prison

Gyula I. Simonyi, 1983, 10 month in prison

János Magyar, 1983, 34 month in prison

Gábor Tanos, 1984, 14 month in prison

Géza Uzsák, 1985, 32 month in prison

Ferenc Reich, 1988, 22 month suspended sentence (he died years ago)

I made this <http://bocs.hu/boka9txt.htm> on fear and courage in the Gospel, when we prepared to go to prison in 1983 as conscientious objectors.
